VTC Briefings - Flow Controllers

If you have booked either EKDK_A_CTR or EKDK_E_CTR for any monday you are also part of the Flow Controller ACC team, and have additional duties.

Pre-Event

Did you book the VTC Manager position? Either one of you should. The VTC Manager position is the responsible entity for all the pre-event work, and they are as follows

Prepare Routings

Issue Simbrief Routings valid on the day. This needs to be done a few days in advance

Request f

Notice that these depend on the week because different events demands different restrictions. Normally identifiable on which of the cities Polaris have event in. Bergen or Oslo

ENBR week:

- Mandatory Routing EDDL: MEVEL Y850 BASUM DCT DOSUR P729 TUDLO
