

# Region Assignment

For assistance during this step create a ticket at <https://support.vatsim.net/>

1. Go to <https://my.vatsim.net/user/region>
2. Select "Europe, Middle East and Africa" as your new Region.
3. Select "Europe (except UK)" as your new Division.

You are now assigned to the correct Region and Division. Proceed to [Subdivision Assignment](#)

There is a 90-day cooldown between all transfers.
