

# How to get started with the pilot training?

1. Join VATSIM Scandinavia member or visiting member. Here is simple instructions for it [Joining VATSIM Scandinavia](#)
2. Send request via this link [VATSIM Scandinavia Pilot Training](#)
3. Send message with CID and name only to our training department via email: [pilot-training@vatsim-scandinavia.org](mailto:pilot-training@vatsim-scandinavia.org) we will answer ASAP. In our answer you will receive operation number and access to moodle and also small introduction to training. Thats why its important to send this message.

## Visiting pilot

---

Members have possibility also to get "visiting pilot" like controllers get "visiting controller" approval. Only thing is request via email to division director. This possibility is members who have already region and subdivision assigned and want to get in training. NOTE that you have to write manually letter to get visiting pilot approval.
