

General

The largest airport in Greenland, Kangarlussuaq airport (BGSF), also known as Sondrestrom, is a vital link connecting Greenland and the rest of the world. The airport receives a variety of traffic, ranging from international flights on large jet airliners to smaller turboprop domestic connections to the rest of Greenland.

Runway	RWY Dimensions (m)	Heading
09	2810x60	089
27	2810x60	269
